

Master Your Network Trade-in Program

Upgrade to the New Site Master™ or Spectrum Master™, and we will pay you for your old equipment!

Anritsu provides you with the industry's broadest portfolio of easy-to-use, full-featured, handheld test and measurement analyzer solutions from the most trusted name in the business. With Anritsu you can:

- Work faster
- Work smarter
- Improve service quality
- Meet your increasingly rigorous key performance indicators (KPI's)

The new "E Series" instruments offer you a number of enhancements and advantages over the older platforms. We think you will like these features so much that you will want to purchase a new E Series right away. To make your purchase decision easier we will pay you cash for your eligible old instrument when you trade it in!

It's easy, all you have to do is purchase a new Site Master or Spectrum Master and return your previous model or an old Rohde and Schwarz model listed below and you receive the listed credit in cold hard cash!

Model #'s that qualify: S331E, S332E, S361E, S362E, MS2712E and MS2713E

S331B	\$ 500.00	S251B	\$ 500.00	MS2711B	\$ 500.00	R&S FSH3 or FSH6	\$ 1,500.00

S332C	\$ 1,500.00						
S332D	\$ 3,000.00						

How the Trade-in return works. It's easy as 1-2-3:

1. Once you purchase and receive the new "E Series" Instrument a coupon will be included in the Box.
2. Use the coupon to return with your old instrument and ship the old instrument back to address listed on your coupon.
3. Please allow up to 8 to 12 weeks for trade-in credit to be processed.
4. This offer is not valid if the returned product is not in good working order. Those that are not in working order will be returned to the customer with no rebate.

Trade-in rules and details:

- Trade-in is available only on a 1:1 basis.
You buy one new E Series Site Master or Spectrum Master and you can return one old product, not 2 or 3.
- Program will run March 1, 2010 – May 30, 2010.
- Please allow 8 to 12 weeks for trade-in credit to be processed.
- Returns will be accepted through July 31, 2010. Any coupons/units returned after July 31, 2010 will not qualify for the trade-in credit.
